Subject: Discussion with DNR about the Tower LUST site

Hi Kristen,

My boss Sherry Kamke and I will be having a discussion with the WDNR Northern Region Closure Committee about the Haskell Lake LUST sites tomorrow morning. They will be considering the information available to make a decision about their ability to reopen one or more of the LUST sites at that location.

I will let you know what, if any, conclusions are reached and what the next steps will be, including a discussion with you and the Tribal Environmental Department.

Regards,

Bob
